

M ABDULLAH NASIR

REACT JS FRONT-END DEVELOPER

Profile

I'm an adept **React JS front-end developer** with 2+ years of experience, specializing in JavaScript, React JS, and HTML/CSS, including Bootstrap for responsive design. Proficient in REST API integration, I excel in data manipulation and display. I've mastered advanced React concepts like Hooks and Redux for efficient state management. Committed to delivering high-quality code within deadlines, I prioritize collaborative teamwork. Eager for new quests, I bring an insatiable hunger for innovation and a commitment to shaping the mystical landscapes of web development with enchanting creations.
